PERFORMANCE OPPORTUNITIES:

BACKSTAGE EXPERIENCE:

- Students in Drama learn the technical aspects of theater. Some students prefer to work behind the scenes instead of on stage. All classes provide backstage instruction and **Drama 2: Technical Theater** is all about the backstage experience.

MAKE FRIENDS/FAMILY:

- *“Clovis East Drama has always been like my home away from home. It’s a place where I always felt like I had a family who was super supportive. There was never a dull moment and I will always cherish my drama family.” – Kyra Smith (“Wingin’ It” Improv Coach)*
- *“Taking this drama class has not only taught me hard work and determination but has also given me a forever family.” – Kristina Clark (Annie in “Annie” and Technical Theater Student)*

CRITICAL THINKING/PROBLEM SOLVING:

- *“In theater you gain life skills without realizing it. Yes, Drama is fun but through your experiences, you also learn social responsibility, problem solving, and how to manage your time. You broaden your perception of what is considered “normal.” You learn how to trust and be trusted. You learn how to be a true team player. You learn how to react and to think for yourself. Theater prepares you for the adult world.” – Mrs. Randall (Drama Teacher)*

BUILD YOUR CONFIDENCE/PREPARE FOR COLLEGE AND JOB INTERVIEWS:

- *“Drama completely changed me. I had no musical or acting experience and they took me under their wing. With their support I ultimately grew out of my shell and ended up winning a Danny.” – Alexander Yang (Daddy Warbucks in “Annie”)*
- *“I graduated in 2003 and am now a high school drama teacher in Colorado. CEHS drama set me on a creative path that led me to where I am now. I’m fond of telling my own students that no knowledge is ever wasted. Whether directly, or indirectly, everything we ever learn or experience molds us into our future selves.” - Sarah VanBenschoten (CEHS Wolfpack Alumni)*
