HOW DO I AUDITION?

1. **Sign up for auditions** on our Google Classroom Page (**Class Code: q2xmyup**)
(Fill out your Audition Form, submit your headshot, and get your vocal audition materials on Google Classroom)
2. **Attend ONE Dance Audition** – We will teach you the audition combination at auditions. Wear comfortable clothes you can move in (no jeans or skirts). Dress code is expected.
3. **Attend ONE Reading Audition** – This will be what’s called a “cold read”, which means you don’t need to prepare anything. You will come into the room and be given a script to review. **NO NEED TO MEMORIZE** for this portion of the audition. You’ll read your part with others in the room. Speak loud and clearly and make character choices.
4. **Attend ONE Vocal Audition** – You will **MEMORIZE** a short song to sing at auditions. Song choices are posted on our Google Classroom Page.
